In compiling this Index, the magazines themselves have been used when copies were available, but considerable use has also been made of the following:

A Supplement to the IMAG-INDEX, edited by William H. Evans; published by Julius Unger, Brooklyn, N. Y., 1944.

An issue-by-issue index to Weird Tales and other magazines, compiler, title and year of publication not known, but believed to have been published by Robert Petersen, of Denver, Colorado.

The Thrill Book, by William H. Evans, in Fantasy Commentator, Fall 1947.

---

The letters DM in parentheses after the title of a poem in the Index by Author indicate that the poem is included in the collection DARK OF THE MOON: Poems of Fantasy and the Macabre, edited by August Derleth and published by Arkham House, Sauk City, Wisconsin, 1947.

The authors Kirk Mashburn and W. K. Mashburn are probably identical.

The compiler would appreciate advice of any errors or omissions that may be noticed.
